*In her new book, **Ars Vitae: The Fate of Inwardness and the Return of the Ancient Arts of Living**, historian Elizabeth Lasch-Quinn offers a clear-eyed diagnosis of what she considers today's culture of therapy. "We live in an era of the aphorism and the several-step program promising to fix everything imaginable," she writes. But without a deeper vision of what life is about, we are ...*

The Fountainhead is a 1943 novel by Russian-American author Ayn Rand, her first major literary success. The novel's protagonist, Howard Roark, is an individualistic young architect who designs modernist buildings and refuses to compromise with an architectural establishment unwilling to accept innovation. Roark embodies what Rand believed to be the ideal man, and his struggle reflects Rand's ...

Howard's Steve Harrison stories were an attempt to join the lucrative hardboiled detective pulp market, even though Howard disliked the mystery genre (Lord 77). In the story, Harrison, described as a son of the South but a long inhabitant of an unnamed city, is forced to trek through a Deep South swamp to arrest Woon Shang on suspicion of the murder of a fellow Chinatown resident. Much as in ...
