I bought a few of these books to get my 8 year old interested in reading. I know it's not a novel and doesn't have all of the components that they are working on in class, but this actually makes him WANT to read so that's a win in my book. He loves all the interesting little facts, a lot of which me and my husband didn't even know!

My favorite thing to read was fact books. I found that a one-sentence fact was capable of blowing your mind, amusing you, teaching you something, and even changing you a little bit. I've loved them ever since. In 2015, I decided that I wanted to share facts too and I created my @FactBuffet Twitter account.

"In the second grade I actually gave a teacher a black eye — I punched my music teacher because I didn't think he knew anything about music and I almost got expelled. I'm not proud of that, but it's clear evidence that even early on I had a tendency to stand up and make my opinions known in a very forceful way. The difference now is that I use my brain instead of my fists."
